Pre-NOCTI Data Analysis

Agenda – What we are doing today

- Review activity
- Quick-write about NOCTI
- Overall Score Review
    - Data Tracking
- Task Linked Review
    - Data Tracking
- Performance Reflection

Materials – What you need to be able to complete the activity

- Folder to organize your papers
- Data Analysis Worksheet
- Pre-NOCTI Score Reports
- Highlighters
    - Green
    - Yellow
    - Pink

Objectives – What you will be able to do by completing this activity

- By using calculated percentages, students will analyze Pre-NOCTI score reports to identify at least 1 duty strength and at least 1 focus area.
- By calculating percentages, students will analyze task linked reports for Pre-NOCTI performance to identify at least 1 task strength and at least 1 focus task.
- After analyzing Pre-NOCTI performance, students will identify at least 2 methods for improving NOCTI proficiency.

Classroom Expectations – Your classroom professionalism

- **Respect** – always use Accountable Talk when adding to class discussions
    - Treat students, teachers, visitors, materials and your classroom with respect
        - Keep side conversations to a minimum
- **Work** – you have to try all activities
    - You don't have to get it right the first time, but you have to try!

- **Think** – your brain wants to work out…let it sweat a little.
    - Your opinions matter and we want to hear your thoughts.
